Police are continuing the investigation into a late night residential armed robbery that occurred at apartments in the 16400 block of SW Estuary Drive.

On April 24th shortly after 11:00P police personnel responded to the Kings Court Apartments regarding a burglary that may be occurring now.

Four adults, three males and one female, were in the apartment at the time of the incident. They all agreed on the basic facts. The suspect kicked in the front door and was armed with some type of long rifle or shotgun. No words were spoken as the four occupants scattered and hid in various rooms. The suspect spent several moments in the apartment and then left the area on foot. Victims did not report anything missing from the apartment.

Witnesses in the area reported seeing the man approach the apartment and kick the door in. He then fled on foot after several moments.

A consent search of the apartment revealed suspected methamphetamine.

No arrests have been made and the investigation continues.
